EXPERIENCE A BREWTOWN XMAS

Enjoy your Christmas work party like never before! Bring your entire workforce into our unique completely covered 1,200m² outdoor greenspace for an afternoon or evening of festive fun! Focused on a relaxed, informal atmosphere, the staff will love chilling and celebrating the end of year with us.

We have heaps of fun setup for the whole workplace. Enjoy table tennis, giant Jenga, pool tables, cornhole, bar hang, inflatable games, and the infamous office tug-o-war!

For those looking to kick back and relax, the Brewtown Crew will have our super comfy hay bales and picnic benches to lounge on and soak up the vibe. You can even chill with our range of retro board games, Battleships anyone?

The Brewtown Greenspace just smacks of fun! With live music every Friday and Saturday on stage, and our in-house DJ on-site, we can't help but party. Wellington's most famous and glamorous Drag Queen Nova-Star may even just pay you a naughty visit! No one has more fun than The Brewtown Greenspace at Christmas.
